JOURNAL

OFFICE OF LEGISLATIVE COUNSEL

Thursday - 13 March 1969

1. [REDACTED] Kathy Nelson, in the office of Senator Stuart Symington (D., Mo.), called to say that the Senator's Foreign Relations Subcommittee staff members had decided that they had no real need for the Agency publication which she had discussed with me previously. 25X1
2. [REDACTED] George Murphy, Joint Committee on Atomic Energy staff, called and asked if I would check and see if the Agency was aware of any reports [REDACTED] 25X1  
[REDACTED] 25X1
3. [REDACTED] Colonel Everett Harper, on the staff of the Senate Preparedness Subcommittee, called and asked if someone (not necessarily the Director) would come up on Monday, the 17th, at 9:00 a.m. to brief the ad hoc Subcommittee on Research and Development on Soviet research and development capabilities and trends in the weapons and defensive fields. This Subcommittee is one of several groups appointed by Senator Stennis in an effort to involve more members of the full Committee in Committee business. The Subcommittee is composed of Senators McIntyre (Chairman), Stephen Young, Harry Byrd, Murphy, and Brooke. This Subcommittee is trying to get up-to-date in the research and development field prior to and in anticipation of the military posture hearings. I told Colonel Harper that I would check on this and contact him as soon as possible. 25X1
4. [REDACTED] Bill Woodruff, Senate Appropriations Committee staff, called to ask me if we had set a firm date for the Director's meeting with Senator Russell. I indicated that it had been set for 11:00 a.m. on Monday. Woodruff said Senator Russell had called him and said that the Director had asked to see him and wondered if Woodruff knew what it was about. Woodruff speculated that it was in connection with the Ervin bill, S. 782. Woodruff is reviewing both the bill and the floor debate in the Senate in 1967. I promised to have a brief paper for him available tomorrow. 25X1
